

# *Forever Yours Weddings*

Welcome to the ceremony that will unite [Groom](#) and [Bride](#) in marriage.

We are here to celebrate love.

Love organizes our large and sometimes unpredictable world. The greatest gift bestowed upon humans is the gift of love freely given between two people.

In marriage, two people turn to each other in search of a greater fulfillment than either can achieve alone.

All of you are [Groom](#) and [Bride](#) community, and each of you has played some part in bringing them to this moment. This is why gathering as a community is such an important part of a wedding ceremony. [Groom](#) and [Bride](#) are now taking a new form as a married couple, and in this form, they become part of their community in a new way.

We are here to remember and rejoice with you and to recount with one another that it is love that guides us on our path, and to celebrate as you begin this journey together. It is in this spirit that you have come here to today to exchange these vows.

## Vows

[Groom](#) please repeat after me:

I [Groom](#) take you [Bride](#) to be my wife. I promise above all else to live in truth with you and to communicate fully and fearlessly, I give you my hand and my heart as a sanctuary of warmth and peace, and pledge my love, devotion, faith and honor as I join my life to yours.

[Bride](#) please repeat after me:

I [Bride](#) take you [Groom](#) to be my husband. I promise above all else to live in truth with you and to communicate fully and fearlessly, I give you my hand and my heart as a sanctuary of warmth and peace, and pledge my love, devotion, faith and honor as I join my life to yours.

## Ring Exchange

[Groom](#) take [Bride's](#) ring, place it on her finger and repeat after me:

Just as this circle is without end, my love for you is eternal. With this ring I take you to be my trusted confidante and partner for life.

[Bride](#) take [Groom's](#) ring, place it on his finger and repeat after me:

Just as this circle is without end, my love for you is eternal. With this ring I take you to be my trusted confidante and partner for life.

For thousands of years lovers have exchanged rings as a token of their vows. These simple bands are not of great value in themselves, but are made precious by our wearing of them.

Your rings say that even in your uniqueness you have chosen to be bound together. Let these rings also be a sign that love has substance as well as soul, a present as well as a past, and that, despite its occasional sorrows, love is a circle of happiness, wonder, and delight.

### Pronouncement

Although I'm officiating here today, it is not truly in my power to sanctify, legitimize or bless your relationship in any way, because the two of you have already done that in your hearts. So, by joining hands right now and looking into each other's eyes, let it be known that you are joined, body and soul in this lifetime, and that this bond is sacred and eternal. And now that you have stood before me and exchanged these rings and these vows, it gives me great pleasure to pronounce that you are Husband and Wife.

***GROOM, YOU MAY NOW KISS YOUR BRIDE!***

May I introduce to you for the first time...
