

Forever Yours Weddings

Good evening and welcome!!

Good relationships never stop growing. Like fine wine, they get better with age. **Groom** and **Bride**, you have now been married ___ years and through all the years of your journey together, you have now come to this beautiful setting, so that you could renew your vows and commitment of love for each other.

No marriage is perfect. As you continue in this union, you already know that it will continue to take a lot of love and work to keep your relationship an ongoing success.

Many couples tend to think of marriage as a 50/50 proposition. Actually, the best relationships are 90/10. If you both will give 90 percent and take only 10 percent, you will have a formula likely to continue to bring both of you happiness for a lifetime.

As you continue on your journey together, I ask you to remember this advice:

- ♥ Let your love be stronger than your anger.
- ♥ Learn the wisdom of compromise, for it is better to bend than to break.
- ♥ Believe the best of your beloved rather than the worst.
- ♥ Confide in your partner and ask for help when you need it.
- ♥ Remember that true friendship is the basis for any lasting relationship.
- ♥ Give your spouse the same courtesies and kindnesses you bestow on your friends.
- ♥ Say “I love you” every day.
